FUN & ADVENTURE, LA CHAUX-DE-FONDS

ROBOSPHÈRE

Get to know the thrilling world of robots on a visit to this leisure centre: learning activities, workshops and birthday parties are among the services offered to the public. A great way to learn more about technology – and the Robosphère also prompts us to think about how our society is changing.

GOOD TO KNOW

- Open daily, upon reservation only
- Guided tour "An idea about the future"
- Segway introduction from 12 years old
- Birthday animation with robots
- Robot workshop (building and programming)
