THÉÂTRE DE L'ATELIER

The Théâtre de l'Atelier is a theatre that has been in operation since 2009. It has a capacity of 99 spectators and is arranged in tiers with comfortable seats. The rows are separated by a central corridor allowing easy access for wheelchairs.

Les Tréteaux d'Orval, the resident troupe, offers a varied theatrical season of a dozen shows between October and May and also performs its own productions.

In 2019, the Théâtre de l'Atelier celebrated its 10th anniversary in the walls of rue du Moulin 27. The association, founded in 1972, worked in different places before being able to acquire and renovate this building which belonged to Swissmetal Boillat.

The theater has a bar where you can have a drink in a friendly atmosphere before or after the performances.
