SWISS TOUR BASKETBALL 3X3

On Saturday 8 June 2024, Place Pestalozzi will host the second stage of the Swiss Tour of 3x3 basketball organised by Swiss Basketball. Sixteen teams, each representing a Swiss city, will attempt to qualify for the final, which will take place on 3 August 2024 in Zurich's main railway station. The winners will then be able to take part in a stage of the World Tour. On the programme: entertainment, competition, free-throw and dunk competitions, entertainment, food and music. All in an unusual setting: the Place Pestalozzi. The public is invited to come and enjoy the matches throughout the day, with a grandstand seating 300 people free of charge. In the event of bad weather, the event will be held at the ice rink.
