

HOTEL, LA NEUVEVILLE

HÔTEL RESTAURANT JEAN-JACQUES ROUSSEAU

Vacation – banquets – weddings – seminars in a unique environment:

Our hotel rooms (all of them non-smoker) dispose of a view of the lake or of the Jura. All rooms were renovated in a mediterranean style, are modern furnished and have a bath or a shower, TV/Radio and a Telephone. Get pampered by our staff on one of our panorama terraces or in the conservatory (with fireplace during winter). Enjoy our cuisine with regional products. Our hotel is easy accessible and has plenty of parking lots. As if created by Rousseau himself, our hotel is a natural oasis with various possibilities for excursions, a romantic garden and a peacefull ambience with view over the castle of Erlach and the Alps.

24 rooms, 48 beds.
