

HOTEL, LES BOIS

ESPACE PAYSAN HORLOGER

The hotel is located amid a haven of greenery near the Le Boéchet station.

It has three double rooms, one triple room and one quadruple room. All rooms are new and each has its own bathroom, a TV as well as a free WIFI connexion.

The restaurant offers refined cuisine in tune with the changing seasons.

The Watchmaker-Farmer themed hotel features a museum retracing the historical foundations of watchmaking in the Jura region, the starting point being the conquest of the mountains by the pioneering land clearers, followed by the emergence of watchmaker-farmers and finally the latter's redeployment as full-time watchmakers.

The restaurant and museum are closed on Sunday evening as well as all day on Monday and Tuesday.

With the Jura-Pass, make the most of free public transport and get reductions on a range of activities in the region.
