

BED & BREAKFAST, TREITEN

RYFFLIHAUS

The stylish Ryfflihaus has two light rooms, a house in the garden and a roof chalet-style loft with two rooms, all renovated with great care. Each part has a separate entrance and living area.

Enjoy the glorious view across the Alps and the Mont Vully from the Mediterranean garden, surrounded by fruit trees, meadows and fields of vegetables. Ryfflihaus is located in a very quiet but ideal location with the three lakes and Papiliorama nearby. Just 20 minutes from Bern, Neuchâtel, Murten and Biel. Be inspired by the outdoor lifestyle of the creative self-sufficient couple – the artist Jona and the craftsman Thomas. Almost everything that surrounds you in Ryfflihaus, outdoors and indoors, is homemade, and everything prepared for the table is also homemade.

With its large garden and premises, Ryfflihaus is the ideal place for smaller groups.
