CÉDRIC SIMMEN, MOUNTAIN LEADER

A mountain guide and an expert of the region with federal patent, Cédric Simmen offers trekking tours and guided walks ranging from one to several days in the Jura Mountains and the Alps. It is also possible to explore the Jura Mountains and its cultural and natural treasures thanks to a predefined or customised programme and on request.

GOOD TO KNOW

- For those who love walking and exploring the local area, the new weekly AboRando walking subscription offers a choice of 10 guided tours over 12 months. The walks take place on Wednesday evenings in the region of Moutier, alternatively in Delémont.
