RESTAURANT KRONE

The team at the Krone Aarberg restaurant is delighted to be able to welcome you back to its premises on 24 June. The ground floor comprises a modern and bright hotel reception, an inviting parlour and an elegant restaurant. On the first floor, the newly renovated seminar rooms await your visit.

Discover regional, fresh and varied cuisine in the renovated parlour. Enjoy your meal with meat from Switzerland. The menu also includes vegetarian, vegan and gluten-free dishes. The service staff will be happy to provide you with information.

A fine selection is available for wine lovers. Most of the wines are sourced from small, family-run wineries.
