PARKING SPACES FOR BUSES

Several places in the Grand Chasseral allow you to park one or more buses in order to travel to the main tourist sites in the region with a group. You will find a list of these in the file below.

GOOD TO KNOW

- The list, which is not exhaustive, contains only the places that have been announced by the municipalities to Jura bernois Tourisme.
- Some of these places are privately owned (hotels, restaurants,...). Please contact the owner before going there.
