To facilitate the trips between the festival sites and Delémont, a shuttle service in the form of a vintage postbus will complement the public transport offer. It will run eight times a day from Wednesday to Saturday.

A 2CV museum will be set up in Delémont, open to the public from Wednesday to Saturday from 10 to 16 h in the Croisées des Loisirs. In addition, every afternoon from 14 to 16 h, a 2CV beauty contest in the courtyard of the castle of Delémont will provide special fun.

GOOD TO KNOW

- The campsite will be open from 10 h on Tuesday 25 July to accommodate the crowds of 2CV fans. Although all organisational and safety precautions have already been taken, traffic obstructions are to be expected on this day. To cope with the high volume of traffic, a large check-in zone and relief zones have been set up. In addition, traffic will flow in a clockwise direction (Courroux - Vicques - Courrendlin - Courroux) in the surrounding villages throughout the event. Local traffic will of course be exempt from this regulation.
- Access to the participants' campsite is not free for visitors
