STAMMTISCH 2 (ROUND TABLE) WITH COLLECTIF LE SALON & GUESTS

The organisers cordially invite you to our second regulars' table, which is dedicated to the topic of diversity and unity. Together with Collectif Le Salon and a heterogeneous group of artists and experts, we will discuss the challenge of how different perspectives and creative approaches can be harmoniously combined.

This event provides a platform to talk about one's own work and explore how a common artistic statement can emerge from a multiplicity of voices. It is an opportunity to experience the dynamics of collective creativity and reflect on the importance of collaboration and exchange in contemporary art.

The roundtable will provide deep insights into the participants' artistic processes and encourage dialogue about the balance between individuality and community in art.
