

EXKURSION, FÜHRUNG, ANIMATION, LE LOCLE

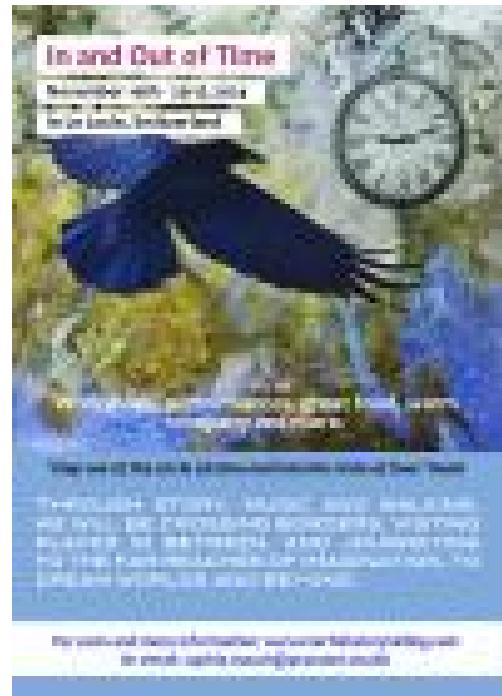

IN AND OUT OF TIME

Workshops, performances, great food, warm company and more.

Through story, music and walking, we will be crossing borders, visiting places in between, and journeying to the far reaches of imagination, to dream worlds and beyond.

'Step out of the circle of time and into the circle of love.' Rumi

(L'atelier et les histoires sont en anglais - mais nous proposons volontiers un soutien linguistique ; la base est d'avoir des connaissances de base et de pouvoir se faire comprendre en anglais).
