# TONNEBIÈRE BREWERY

The Tonnebière brewery, a small family operation, was founded in 2014 in the medieval town of St-Ursanne (nicknamed the Pearl of the Jura). Housed in a hundred-year-old, completely renovated building, the brewery invites you to taste its various craft beers (10 different types of draught) in the "bar" area or for a tasting tour.

## PRICES

Visit and tasting (duration 1hr. 30min.) CHF 20.-  
Price per Person
