

GUIDED CITY TOUR, BIEL/BIENNE

MANUFAKTUR

Discover craft shops, workshops, galleries, special bars, cafés and restaurants as well as many other creative places. Biel/Bienne is home to many innovative people who literally take their destiny into their own hands. One of the great advantages of this watchmaking metropolis is its diversity, be it in cultural, linguistic or economic terms: Romand and German-speaking Swiss, tradition and innovation, culture and alternative projects.

During the ManufakTour, you will discover Biel's esprit and get to know people you would not otherwise meet.
