CAMPING ERLACH ON LAKE BIEL

Camping can be enjoyed to the fullest in Erlach. Whether it is a tent, a camper or a van directly on the beach, with a view of the lake or the Chasseral mountain, there is large choice of pitches. If you would like to spend the night in nature but do not want to set up a tent or park up a vehicle to stay in, the new, modern and fully equipped bungalows and cosy wooden huts ensure a carefree stay.

From the 2023 season, you can enjoy the new Brasserie am See. Classic cuisine is reinterpreted and refined here, and you can watch the chef at work in the open kitchen. There is also the option of purchasing small snacks or refreshing drinks from the “Strand-Chuchi” kiosk.
