APPARTEMENT DE VACANCES - LA THEURRE

On the second floor of an 18th century farmhouse where the first BFM beers were brewed, you will find a spacious (110 m²) and bright flat next to the Etang de la Gruère, where you can relax by the open fire after a great ski or mountain bike tour, with a proper kitchen, two bedrooms and an extra bed in the large living room. A nice welcome aperitif and some books and CDs to be used during your stay await you there.
