

ART, EXHIBITION, LA NEUVEVILLE

4TH ARTISTS' MARKET IN LA NEUVEVILLE

A host of artists will be taking to the streets, showcasing their stands with their own personal creative touch. Around forty exhibitors are expected and a few places are still available. And there'll be plenty of entertainment for all ages! Street musicians, a caricaturist, the Boogie Woogie rhythms of Daniel Breitenstein and a treasure hunt (10.30 am in Place de la Liberté) will all be on the programme.
