# TAVOLATA DU VULLY

The 5-course menu will be prepared by the Bel-Air restaurant, accompanied by carefully selected wines from Vully for a perfect food and wine pairing.

However, the Tavolata du Vully is not just a meal. It is also an opportunity to discover the region and share a convivial moment with other foodies. To add a musical touch to this culinary experience, artist Nicolas dal Sasso will be present.

As the number of seats is limited to 70 guests, don't hesitate to reserve your spot!
