

CONCERTS, MUSIC, LA CHAUX-DE-FONDS

BIKINI OF THE DEAD

On the programme: terrifying costumes, bloody make-up, dancing to shamelessly catchy music, and a selection of short films to preview. Winter time extends the party until 5am, so moderation is the order of the day, and don't forget your make-up remover for the next day. The devilishly festive atmosphere is guaranteed thanks to the infernal decorations. Don't miss out on what promises to be an unforgettable evening!
