

FUN & ADVENTURE, MÖRIGEN

URSLI-HOF IN MÖRIGEN

Urs Blösch runs his Ursli farm in the time-honoured family tradition, yet with a modern twist. "Simply put something good on the farm" is his daily motivation: he puts his heart and soul into the fruit crops, the fields and, of course, his animals.

There are currently 2 small horses, 2 ponies, 6 dwarf goats and over 30 sheep living on and around the farm. There is also a playground with a swing, slide, trampoline and pedal tractors for visitors and guests to use.
