DINE AND LIGHT

On the shores of Lake Murten, the "Dine and Light" table is set for you. Open the door of the Hotel Bad Murtensee and immerse yourself in a fantastic world of light!

During a three-hour symphony of light and delights, a 360° projection will make you forget time and enjoy the moment with all your senses. Dine&Light takes you on a journey beyond reality, where the wildest dreams become reality.

Whether on earth, under water or in the sky - let yourself be carried away into a colourful world of fantasy and enjoy an immersive culinary experience. At the centre of this voyage of discovery is a 5-course menu that will have you floating through the four elements of water, fire, earth and air.

Tables, plates, walls or waiters, every person and element in the room plays a role in the story and will delight you. One thing is for sure: the magic that will accompany you on this journey will not leave you at the end. The harmonious interaction of culinary delights and light show revitalises body and mind.
