

NATURAL SITES, CHEVROUX

INTERPRETIVE NATURE TRAIL

Starting in Chevroux, this signposted trail, which is particularly suited to family and school outings, is a fun and interactive way to discover the Grande Cariçaie nature reserve.

Interpretive panels along the route provide a wealth of information about the reserve, its upkeep and, of course, its flora and fauna. The exceptional beauty of the landscape is sure to make this nature trail simply unforgettable.

GOOD TO KNOW
