LE CHALET B&B - CHEZ LES ALFREDS

Situated just 100 metres from the river in the captivating Parc du Doubs nature reserve, this pretty, fully renovated chalet promises you a once-in-a-lifetime experience. Enjoy views of the valley as you relax in the Nordic bath after a day spent fishing, hiking or skiing, and share unforgettable moments in this unique setting.

Practical, cosy and multifunctional, the Chalet B&B (standing for “bed & bath”) is furnished in the style of a tiny house. It features a living room that can be transformed into a bedroom for up to four adults when night falls – simply turn the sofa into a comfy bed measuring 140 cm by 200 cm and the desk into two 90 cm x 200 cm bunk beds!

The second room boasts a simple and practical yet charming kitchen and a bar concealing a slide-out convertible table for two to four guests to share a fondue or play cards.

Take the opportunity to breathe in the fresh valley air as you enter the bathroom. Although undeniably on the small side, it’s cosy and fully equipped – including a rain shower, toilet, washstand with basin and everything else you need for a comfortable stay: towels, flannels and handmade soap.

On the terrace, underneath a charming wooden pavilion-style roof, you’ll find the Nordic bath, which is heated all year round, as well as a nook for chilling in and a set of Adirondack chairs arranged around a brazier.

Against the stunning backdrop of the Doubs river, a beautiful picnic table and fireplace provide a welcoming stage for your summer barbecues in the shade of a majestic maple tree.

With the Jura-Pass, make the most of free public transport and get reductions on a range of activities in the region.
