CRUISE SHIPS ON THE LAKE OF NEUCHÂTEL (LNM)

The shipping company on the lakes of Neuchâtel and Morat (LNM) assures navigation between the main towns of the lakes of Neuchâtel, Biemme and Morat. Although services run all year round, the landings of the Yverdon-les-Bains region only have a service three times a day during the summer season.

The ships transport bicycles, which allows splendid excursions on numerous cycle tracks along the shores. Themed cruises are also on offer. The fleet of the company's nine ships has a capacity of 3,500 places, 1,000 of them with restaurant service, and offers services to 35 landings. It is possible to hire a boat for a private event.
