PARADIS ?

Through traditional clowning, contemporary circus, dance and music, we tell the story of a wonderful garden tended by two gardeners. As the plants in this little corner of paradise come to life, they begin to fly through the air, snake across the ground, climb ever higher and make a diabolo twirl. They plunge the audience into a suspended moment between heaven and earth.

OPENING HOURS

From 23 Jul 2024 to 28 Jul 2024
Tuesday - Sunday

20:00 - 21:00
