50S TO 80S

On Friday, 22 November, the KUFA invites you to the third edition of 50s to 80: The disco for people over... 50! Do you want to dance to the hits of your youth without being disturbed by the youngsters? It's possible at the 50s to 80s party. Whether alone, as a couple or in a group: here you can finally shake a leg again.

Whether it's Marmor, Stein und Eisen bricht, Status Quo, YMCA or gems like Anita Ward and Al Gorley: DJ Alexander will once again be happy to take your song requests on the spot. The KUFA kitchen offers you a delicious seasonal snack at the bar. Would you like to come along with your daughter, your grown-up nephew or the two 30-year-old Gottemeitschis? Don't worry: we won't turn away your u50 companion. 50+ is a guideline.

'Perfect sound that took us back to our youthful years, a good atmosphere and only happy and satisfied faces. We're already looking forward to the next party in November.' Peter (72) and Fränzi (61)

There are no pre-sold tickets for this event. However, you have the opportunity to reserve a ticket by filling out the form under 'Reserve a ticket'. This will help us enormously with the planning. If there are enough registrations, the party will be held in the hall.
