LUCK OF THE IRISH WITH SAINT CITY ORCHESTRA CH Irish Folk Rock:

Forget Dublin. Forget folklore and get ready for SAINT CITY ORCHESTRA - not just any band, but a fucking LIVE phenomenon.

With a potent mix of Irish folk tunes and real punk rock, the Swiss sextet have ushered in a musical era that will blow anyone's mind. The ideal soundtrack for a chaotically spontaneous life.

Wherever they perform, the mood shoots up to boozy heights and pure chaos breaks out. It's an unpredictable bunch of completely crazy ramp sows who don't stop until the sweat is dripping from the ceiling.
