

BED & BREAKFAST, MT-CROSIN

# B&B MONT-CROSIN

Set in a building originally designed by "watch makers' architect" Claude Leuzinger back in the 70's and recently renovated in a fresh hearty minimalist style, our B&B offers 4 independent rooms and a 2-bedrooms apartment.

All rooms are located on the 1st floor (no lift), have en-suite bathroom and a small refrigerator. Common areas are on the ground floor and include a lounge, where board games and books can be found and the heat of a wood fire enjoyed in winter, a sunny terrace facing Chasseral and the breakfast room. The latter can be used outside of breakfast hours and you'll find a kettle, coffee maker, microwave and fridge at your disposal.

Come and relax beneath the benevolent gaze of the wind turbines and surrounded by pristine nature!
