

FAMILY, LE LOCLE

HALLOWEEN - CHILLING TALES!

The Ogres' Feast plunges participants into a spooky atmosphere as hungry ogres approach the castle, ready to do anything to capture the children. But nothing can be taken for granted, as a surprise could upset their plans.

In Hunchback, Limp and Crooked Neck, we meet a mysterious and cunning character who hides many tricks up her sleeve. She almost always comes out on top, unless she comes up against an even more cunning opponent. Suspense and mischief are guaranteed!
