LIEBHABERBÜHNE BIEL PLAYS «STÖCK-WYYS-CASH» - DERNIERE

Ensemble of the LBB Biel, Director: Mona Friedli
Marlene Fuchs and her friends Ursi, Cecile and Karin meet several times a week to play Jass. 'Inspired' by a series of bank robberies in the city, they develop a plan for a robbery of their own. Each of them believes they are predestined for the perfect crime in their own way: Ursi as the mother of the town's police detective, Karin with her expertise in trivial crime fiction, Cecile as a former court clerk and Marlene as the banker's wife. However, the story doesn't go quite so smoothly and the entanglements and cover-ups surrounding the looted fortune develop into the proverbial run on red-hot coals. The The gang would soon be only too happy to get rid of the money, but that's where the criminal confusion really begins. The audience is guided through the play and the jass by the narrator.
