CANTONALE BERNE JURA 2024

From December 2024 to January 2025, the Cantonale Berne Jura will showcase refreshing, uncompromising, magnificent, ingeniously simple and exhilaratingly complex works by artists from the cantons of Bern and Jura. The exhibitions in eleven art institutions form a powerful platform for contemporary art of supra-regional importance. The aim of the Cantonale is to present a broad spectrum of artistic positions and to strive for the best possible quality of the respective exhibitions.
