# ST-URSANNE IN LIGHTS

Discover St-Ursanne in Lights, a magical event that will illuminate the medieval town from November 28, 2024, to January 12, 2025.

Each evening from 6 PM, the town comes alive with lights, featuring a glass-blown lantern trail that brightens the streets until 11 PM. Additionally, from Thursday to Sunday between 6 PM and 7:30 PM, light projections transform the bridge and St-Jean Gate into stunning visual artworks.

Visitors, both locals and passersby, are invited to enjoy this enchanting show free of charge.

To extend the magic, St-Ursanne's venues host themed evenings every Friday and Saturday night, offering the perfect opportunity to discover the town from a new perspective and savor regional specialties in a warm and friendly atmosphere.
