GOOD TO KNOW

- Camping: From 3pm on 18 July, pitch your tent just a stone's throw from the festival, just 150 metres away. Toilets on site, starry skies and friendly vibes. Just you, your tent and the festival atmosphere! (We'll keep it simple: tents only!)
- Food and drink: Our food and drink stands will be on hand to spoil you and recharge your batteries. A quick bite to eat and you're back in the swing of things!
- Access to the site: Quick and efficient access points will be set up at the festival entrance. For obvious safety and environmental reasons, drinks and food from outside the festival will be banned. Containers (or other containers) and glass bottles will obviously be prohibited. In the interests of safety, our security team reserves the right to carry out rapid searches. Only PET bottles of water will be allowed.
- Concerts: Every evening, from 6pm, the sound will be turned up! A programme that grooves, rocks, vibrates... in short, something to get everyone moving. So get your ears, legs and good humour ready.
- Activities: With your family, friends or even on your own, come and try out the activities for all tastes and ages. Workshops, games, discoveries... there's plenty to keep you busy and entertained. So, are you ready to move, laugh and enjoy?
