

FUN & ADVENTURE, LE NOIRMONT

INITIUM - JEWELLERY WORKSHOP

Guided by a master jeweller, you'll craft your very own silver ring (with or without gemstone).

Dive into the world of arts and crafts, and discover how jewellery is made. Come away with a unique expression of your style and creativity.

The Initium experience:

- Workshop open to all – no prior knowledge required
- Wide choice of designs and finishes: hammered or polished texture; set with zircon or gemstone
- Personalised guidance: choice of design; teaching of filing, soldering and polishing techniques
- A precious souvenir: take home a unique ring made with your very own hands

Workshop details:

- Duration: 4 hours to a full day
- Languages: French and English (German available on request)
