AESCHLIMANN CORTI-STIPENDIUM 2025

The Louise Aeschlimann and Margareta Corti Grant (AC Grant) is a prestigious private grant for visual artists in the Canton of Berne. It has been awarded annually to emerging artists of the younger generation since 1942. A total prize money of CHF 50,000 is available for the grant and main scholarships, which is awarded by a jury in a two-stage application process. This year, 23 artists have been selected from the 91 submissions in the first round to show their works in the exhibition at the KBCB.
