WILD TRUFFLE: AN APPROACH WALK IN THE FOREST

In the Bonvillars region, 2 guides, with the participation of the Association Suisse Romande de la Truffe, offer unforgettable walks to discover the Swiss truffle.

The program includes educational activities and truffle dog demonstrations on foot. The walk ends in a relaxed atmosphere with a truffle-based snack served with local wines.

In 2024, two visits will be organised on 2 and 30 November, from 8.30am to 12.30pm.

Tours are also available on request for groups of 8 or more during the truffle season, from September to January.
