

WINTER ACTIVITIES, SAINTE-CROIX

TREASURE HUNT AND CHOCOLATE FONDUE

Starting from the Col des Etroits in Sainte-Croix, a fun trail of 10 stations invites budding adventurers to solve a riddle. The principle is simple: as they make their way along the trail, the young detectives answer the various questions scattered along the way, and finally find the magic word to give on arrival at the Gîte du Mont-des-Cerfs. They are then rewarded with a delicious chocolate fondue and a small gift. This didactic, gourmet game is a fun way for children and families to learn.

The itinerary is non-hazardous. Depending on snow conditions, it may be accessible only on snowshoes. The proprietors of the Gîte du Mont-des-Cerfs can provide information on the condition of the trail.
