

MUSEUM, BIEL/BIENNE

## CENTRE MÜLLER

The engineering museum Centre Müller provides wonderful insights into the period of industrialisation and the construction and development of machinery. Visitors of the museum will be set back in the time to around 1900. Various worksphops were adjusted accordingly to give an impression of working conditions at the time.

Prices per personCHF 8.-AdultsCHF 5.-Students, SeniorsCHF 3.-PupilsPrices for groupsPrices for groupsCHF 5.-From 20 personsCHF 5.-
