ART DÉCO HOTEL ELITE

The historic Art Déco Hotel Elite is a four-star hotel in the centre of the watch and communication city of Biel. It offers 57 rooms and 5 suites as well as a fitness and wellness centre covering 1000 square metres. The catering facilities include two restaurants: the L'Osteria restaurant on the ground floor with its Italian cuisine and the Repas rooftop restaurant on the sixth floor with a view over the city. The latter is dedicated to bistro, combining upscale gastronomy with long-established French bistro cuisine.

The hotel, which is steeped in tradition, places particular emphasis on personalised guest service in its philosophy and management. Throughout the hotel, we celebrate the art of hospitality and create moments for experiences.
