

BED & BREAKFAST, BARGEN BE

B&B SOLARHAUS

The Solar house has two quiet rooms: The room "Chasseral" has four beds, the other room has two beds. Separate entry to the rooms. Each room has a own shower and toilet as well as a radio, digital TV set and a direct phone line. There is a fridge with drinks ready for you. Breakfast is served in the heated wintergarden. The guest complex is in a new ecological construction. Around the house we have a big garden with chickens, ducks, rabbits... and an extraordinary view of the Jura mountains! You can park your car around the house. Within 1 km you'll find about 20 restaurants at Aarberg and Bargaen! There is a big open air leisure center only 500 m from here.
