

VACATION APARTMENTS, LES GENEVEZ JU

APPARTEMENT - AU VIEUX CHÊNE

Looking for superb scenery and excellent facilities just a few minutes' walk away? This recently built architect's house is located in the historical part of a typical Franches-Montagnes region.

The boundary of the greenery is formed by a grove of trees including a century-old oak, birches and pine trees, right next to several horse paddocks and gardens. The light-filled apartment is the perfect place to relax with a book in an Eames armchair.

The fire crackles merrily in the swivelling woodburning stove, while you take a little nap on the settee. The ultra-modern kitchen enables you to heat food in the microwave, while slowfood fans will find all the utensils they need to nurture their passion.

After a sporty afternoon, there's nothing like a good shower, while clothes transit smoothly from washing machine to dryer. It's time to sip a Nespresso in the private garden while observing foxes and hedgehogs in the evening. Good beds and a selection of pillows await you. Board games, a 3D HD screen, WiFi and a selection of good books will make you eager for a rainy day.

The car is in the garage. The sports equipment is in the storeroom. Sheets, bath and hand towels are available.

With the Jura-Pass, make the most of free public transport and get reductions on a range of activities in the region.
