

SPORT, YVERDON-LES-BAINS

# THE GOOD RESOLUTION RACE

Set up by the Sports and Physical Activity Department of the City of Yverdon-les-Bains, 'La Course de la Bonne Résolution' brings together young and old alike for one of the very first running events of the year. The concept is simple: 4 starts and 3 distances, you can run or walk, it's up to you.

The Course de la Bonne Résolution has been awarded the 'Unified' label by Special Olympics, which promotes inclusion and accessibility for all. Every start of the Good Resolution Run is accessible to people with special needs.

Get together with your friends, family or colleagues and share a moment of conviviality, sport and good humour.
