RESTAURANT DE CLAIRBIEF

Its speciality is trout prepared in various ways: "au bleu" (cook in red wine and warm vinegar), as carpaccio or in a bisque. The trout are farmed in Soubey by the family company, Choulat, to be more precise in the lieu-dit (locality) of Les Moulins. Our menu is comprised mainly of local produce: meat, bread, eggs, all produced by artisans in the region.

The establishment comprises 2 rooms to cater for 40 and 50 people, with a large terrace with room for 50 people.

We will be delighted to welcome you to this idyllic spot in the heart of the countryside.
