RESTAURANT LE CIP

In addition to traditional and regional cuisine, Le CIP restaurant offers international specialities prepared with seasonal products from the region or country, a healthy, varied and balanced cuisine including complete meals. The offer is enriched by snacks such as quiches, pâtés, mezzés, a choice of original sandwiches, as well as cold tea and smoothies, all produced by our team. Each product offered in the restaurant can be purchased to take away in suitable and biodegradable packaging. Ideal venue for banquets, family occasions, weddings and business dinners for up to 200 people.
