ART, EXHIBITION, LA CHAUX-DE-FONDS, LE LOCLE ET ST-IMIER

11TH BIENNAL OF WATCHMAKER'S HERITAGE DAY

Take the exceptional opportunity to visit the craftsmen and enterprises where the famous Swiss watches are designed and produced. At the same time, it is also a chance to see the museums and other places of interest in the towns of La Chaux-de-Fonds and Le Locle, both figuring on the list of UNESCO world heritage sites 2009 for their typical urban landscape of the watchmaking industry.
