

HOTEL, LE LOCLE

BOUTIQUE HÔTEL DE LA FLEUR-DE-LIS

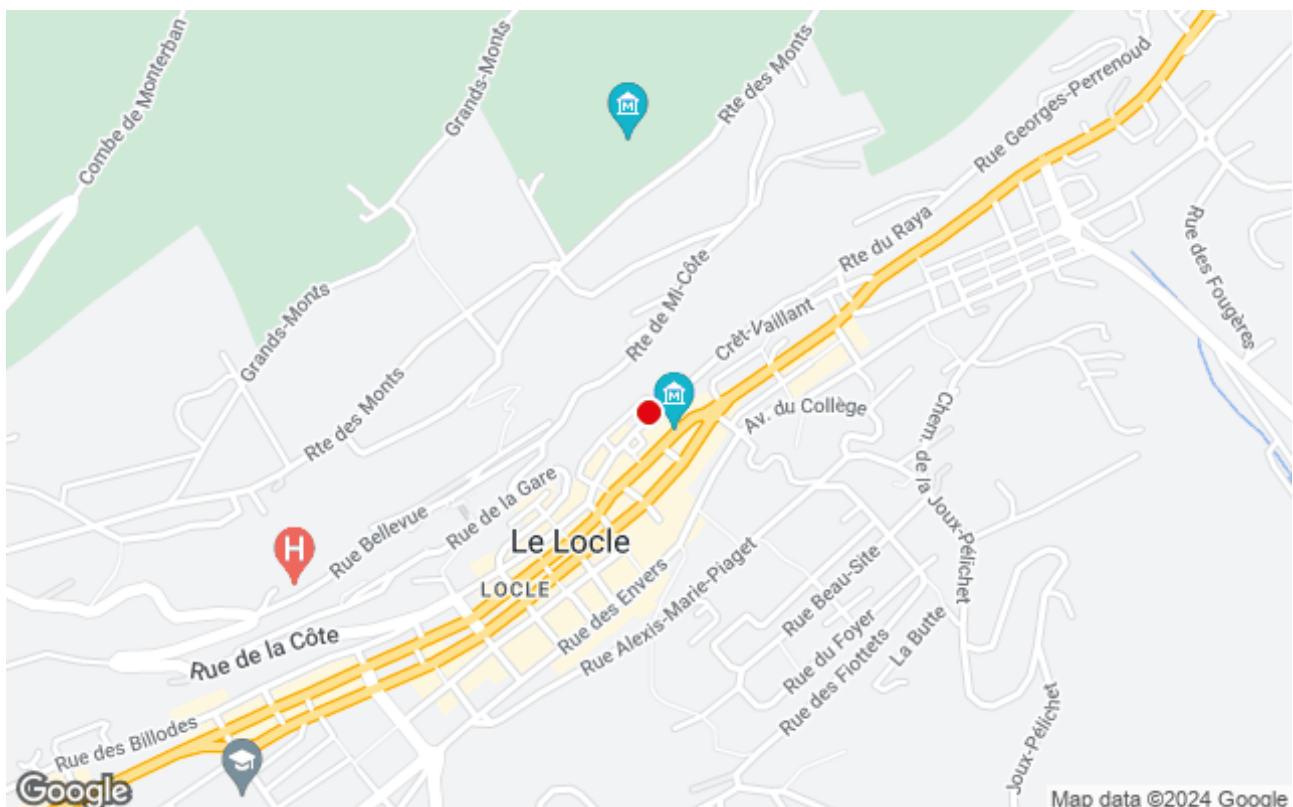

Hotel Fleur de Lis is a subtle blend of charming historical building and sober elegance of contemporary materials. Twenty-two rooms with generous space - some with a kitchen corner - welcome guests for a short or long stay. Each room has its own atmosphere : an ancient object, a silky shade, a nice lamp.... It's all about detail and harmony. The boutique hotel is located in one of the nicest historical street in Le Locle, at the heart of the UNESCO area, and it also shelters a "bistro", welcome spaces and a wine cellar.
