CHRISTMAS IN THE CITY OF NEUCHÂTEL

During the Advent season, there will be not just one, but dozens of good reasons to take a stroll through Neuchâtel's city centre and neighbourhoods, with the Christmas markets and their processions of entertainment and shows, the big stage on Place des Halles, Saint Nicolas Day quadrupled in size, the Ice Beach, the Corrida, not forgetting the arrival of a Ferris wheel on Place Alexis-Marie-Piaget. The whole event will be bathed in the multicoloured, subdued glow of garlands of lights in the streets. Discover below the rich and magical programme for the end of 2023 in Neuchâtel!
