

FUN & ADVENTURE, CANTON DU JURA

IRTAG OUTDOOR LASER GAME

Jura Découverte Nature and IRTAG offer you the largest outdoor laser game in Switzerland in the Jura and Bernese Jura region. Thanks to its marker with transparent casing, the IRTAG game can be played anywhere without a permit.

The device works by infrared (like a remote control), without laser, without projectile. It is 100% safe and has no impact on the environment.
