MINERALS AND FOSSILS - AU COEUR DU BERYL, ST. URSANNE

The shop Au coeur du Beryl offers an impressive collection of minerals and health stones (one of the largest stocks in the Jura). Our minerals come from all over the world. In addition, a large assortment of fossils is offered for sale here.

You will be able to admire coral blocks dug in Les Rangiers and the very rare amethyst from Develier. A stone cabinet that reacts to UV light, very special. Guided aperitifs can be organised for groups on request.
