MIGROS HIKING SOUNDS

Combining hiking and open-air concerts, the Migros Hiking Sounds festival will once again play host to Sainte-Croix / Les Rasses. An exceptional line-up of concerts will take place on various stages nestling on the Chasseron massif.

The formula is simple: combine hiking in magnificent mountain scenery with live music for an eclectic audience. The day begins at the departure village in Les Rasses, where visitors receive a bag filled with provisions and surprises. Then it's off for a two- to three-hour walk. Along the way, a first stop at the summit of the Chasseron allows hikers to take a break and toast a few saveloys while listening to up-and-coming Swiss talent. The highlight of the day will be at Les Avattes, where two concerts a day by established artists will be held in idyllic surroundings. This year, Sunday will be dedicated to the family. The "ZartiCirque" troupe will be offering some entertainment for young and old at the "Campfire Stage".
